\$300.00

No goods or services were provided in exchange for this gift. All gifts are tax deductible.

Dear Karen,

What a blessing your gift of \$300.00. is to the hundreds of homeless men, women and children in Eugene, Springfield and Lane County who walk through our doors daily seeking wellness.

We are so thankful for the opportunity to provide food, shelter, clothing, restorative services, and the message of God's Love to our guests. We see many lives changed daily through the power of that Love working at the Mission. This is especially true for the participants in the 18 month residential Life Change Program as well as those general guests seeking help. It is humbling to see the restoration in the lives of these men and women guests who are committed to "getting well" and permanently ending their homelessness.

This restoration is made possible through your loving gifts. Thank God for your continued support in this time of need.

In His love,

Jack Tripp
Director
